**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have tried a number of internet services, including AT&T. I finally found best service and customer satisfaction with Sonic, particularly with its fiber optics.

I was particularly upset with how AT&T baited me into less expensive internet, then jacked the price up at the end of the initial period.

I am most happy with Sonic and appeal to you to deny ANY company desiring to block Sonic's growing and competitive network.
